

- A light and versatile breaching kit. For standard use in patrol cars, emergency services and military units.
- After a short training program, an operator will be able to open both inward and outward opening wooden and steel doors regardless of the security, and different type of glass including high level laminated security glass.
- The purpose of this Kit is to provide the officer/operator with an easily transportable light-weight set of tools that allows them access when required.
- The design allows the user to access the tools without taking the bag off.
- Tools included in the kit:
 - P7 MultiPry MOE-014
 - S3 MultiSledge MOE-008
- Available in Dark Grey, MOE-002-DG, or Ranger Green, MOE-002-RG.
