

- Heavy duty Door & Window mounting frame for installation of real doors and windows (optional).
- For mechanical, hydraulic and explosive breaching training.
- The frame can be used as a free standing module or mounted direct into a wall or container.
- The wood frame gives a strong, realistic and easy mounting of the doors.
- Can be adjusted for different sizes.
- The Door & Window Frame is designed to be used for explosive breaching.

Product information

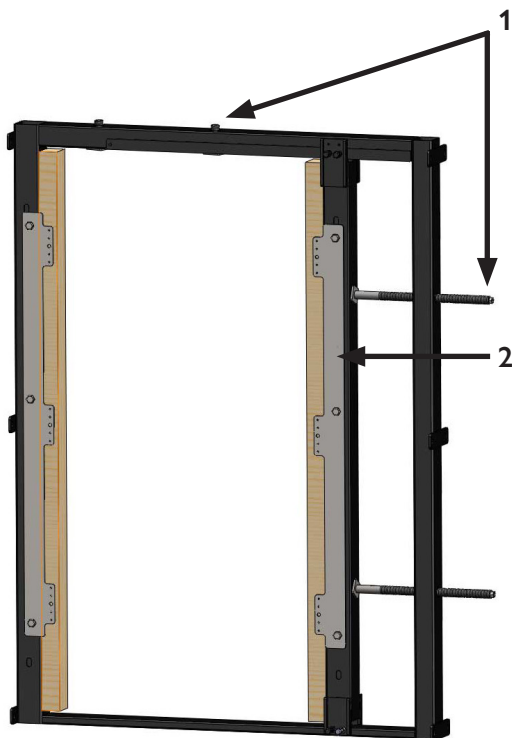

Prod Nr	MOE-045
Prod Name	Door and Window Frame
HS code	7308300000
Nato stock nr	
Mateial	Steel
Color	Black

Product dimension

Length	1666 mm
Depth	200 mm
Height	2260 mm
Weight	245kg incl stands

Package dimension

Length	2260 mm
Width	800 mm
Height	184 mm
Weight	260 kg

Door Setup

1. Adjusting bolts
2. Adjustable Frame

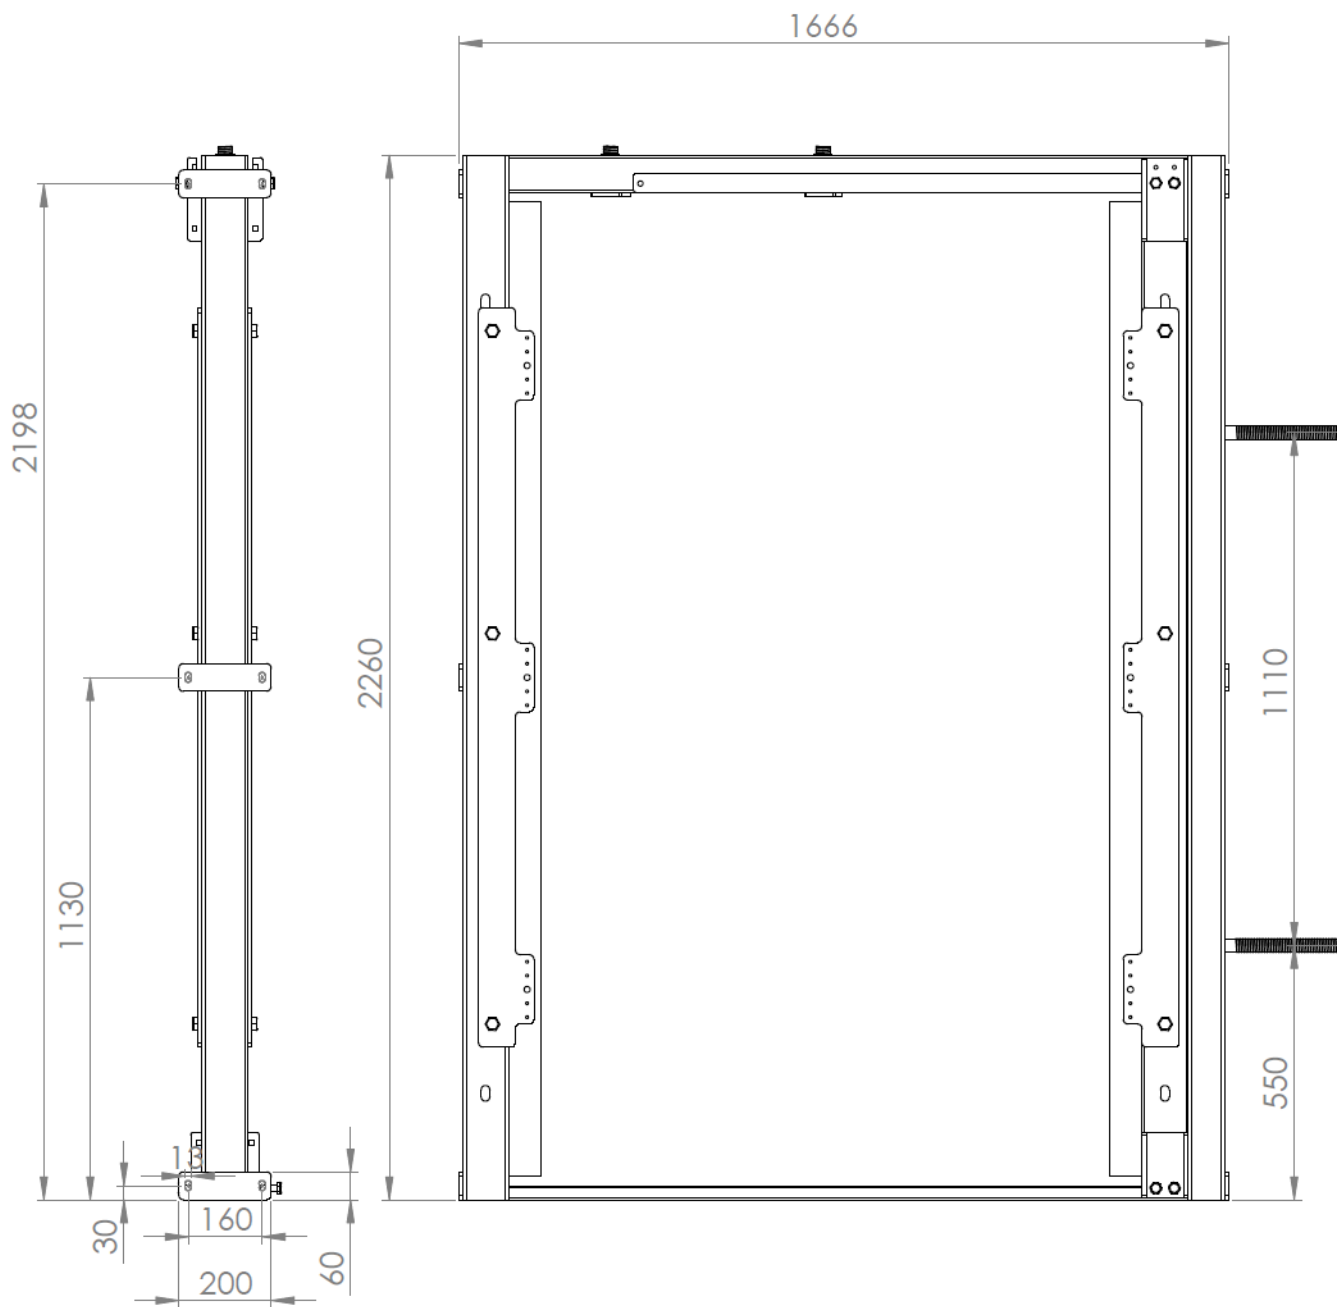

Maximum door size: 2150x1200 mm
