

MULTI INSERT PANEL 1.0

27-01973A

A Velcro panel for insert pouches with holes for elastic strings makes it easy to keep order in your specialist backpacks.

FEATURES

- * Attaches with duffel buckles inside the Specialist backpacks in the hole bands.
- * Can be attached on three sides or just on one side.
- * Handle in the top that can be used for carrying or hanging the insert panel.
- * Outside covered with Velcro loop fabric so insert pouches can be attached
- * The Multi insert panel is reinforced with a 1 mm plastic sheet to make it stiff and strong.
- * Holes are punched into the Multi insert panel where elastic cords can be threaded to secure items. Eight elastic cords are included in the Multi panel.
- * A heating blanket can be stored behind the Multi insert panel .

MATERIAL

Fabric 100% Polyamide
Webbing: 100% polyester.
