

Presenting a versatile bag designed to keep all your tools neatly organized and readily accessible.

FEATURES

- * A spacious main compartment with Velcro stripes.
- * A large top compartment equipped with elastic bands.
- * Two removable side pockets with inside compartments, that can be carried on a belt.
- * A holder located on the top of the bag specifically designed for the outside pockets.
- * Padded shoulder straps that can be utilized to carry the bag as a backpack or as a shoulder bag.
- * Configurable removable walls to suit your specific equipment arrangement needs.
- * The insert features a combination of hard plastic and soft foam on all sides to provide optimal protection.
- * Padded handles for comfortable carrying.
- * Velcro stripes inside the bag and flap, allowing you to attach additional pouches.
- * Velcro patches on the exterior for attaching unit and personal patches.
