

MEN'S

Alpha Jacket (Gen 2.1) MultiCam®

MPN: X000006420

SIZE: XS, S, M, L, XL, XXL

WEIGHT: 575g / 20oz | (Size Large)

The Alpha Jacket is a highly breathable, windproof and waterproof all-season GORE-TEX® hard shell made with durable BD450 face fabric completed by a suite of features to support an operator conducting no-fail tasks. The Alpha Jacket is a competent full time outer layer in extreme conditions.

MATERIALS

- + GORE-TEX® 3L BD450 Ripstop with Microgrid backer and NIR Signature Reduction
- + GORE-TEX® 3L 40D face fabric and NIR signature reduction with a micro grid woven backer
- + Made with PFAS chemicals

PRODUCT FEATURES

- + The Alpha jacket weighs a mere 575g and assumes a volume of roughly 2.5L when packed (Size Large)
- + All face fabrics include NIR Signature Reduction
- + Easy stowaway hood is one-hand adjustable, ballistic helmet compatible and includes routing for comms cables
- + Weatherproof zippered pockets are one-hand and gloved-hand operation friendly
- + Bicep pockets feature 4"x4.5" Velcro™ identification patches with VLite™ retention ring
- + Drawcords are one-handed and glove friendly and vertically routed to minimize interference with duty belts, harnesses and pack hip straps
- + Cuffs are Velcro® adjustable and seal to the wrist or can open up wide to support donning and doffing over tactical watches and gloves, or rolled to the elbow for venting
- + Weatherproof pit-zips are double zippered to allow for use while restricted by plate carriers
- + Fit allows for layering during cold weather conditions
