MEN'S

Alpha LT Pant (Gen 2.1) MultiCam®

MPN: X000006353

SIZE: XS, S, M, L, XL, XXL, MS, LS, MT, LT, XLT, 2XT

WEIGHT: 380g /13.4oz | (Size Large)

The updated Alpha LT Pant provides premium all-weather protection in a more lightweight and highly packable solution. Boasting a new lightweight 3L GORE-TEX® fabric which uses a more durable micro grid woven backer, the Alpha LT Pant compromises nothing in environmental defense while providing the wearer with a complete feature set suitable for no-fail tasks regardless of conditions.

MATERIALS

- + GORE-TEX® 3L 40D face fabric and NIR signature reduction with a micro grid woven backer
- + Made with PFAS chemicals

PRODUCT FEATURES

- + The Alpha LT Pant weighs a mere 380g and assumes a volume of roughly 2.5L when packed (Size Large)
- + Reinforced knees and butt provide protection when prone and abrasion resistance when operating vehicles
- + Drawcords are one-handed, glove friendly and vertically routed to minimize interference with duty belts, harnesses and pack hip straps
- + Drawcord ankle cuff closures and lace-grabbers provide gator functionality in deeper snow
- + Fly zip is accessible when wearing harnesses and load carriage equipment
- + Fit allows for layering during cold weather conditions however a size-up is recommended for severe cold weather layering while restricted by plate carriers
- + Fit allows for layering during cold weather conditions however a size-up is recommended for severe cold weather layering
