

MIDLAYERS INSULATED & FLEECE

L3

ESSENTIAL
COLLECTION

MEN'S

Atom Pant LT (Gen 2.0)

MPN: X000004631

SIZE: S, M, L, LX, XXL, MT, LT, XLT

WEIGHT: 410g /14.5oz | (Size Large)

An exceptionally lightweight and packable pant with performance akin to the Atom LT Jacket, the Atom Pant LT is a comfortable and convenient midlayer with outer layer functions.

At a slim 400g and highly packable the Atom Pant LT quickly dons over boots and crampons as needed and is breathable enough to be worn for the duration of the task.

MATERIALS

- + Coreloft™ Continuous 65 (2oz) synthetic insulation with DWR
- + LI PENG High Air Perm Nylon Ripstop
- + TORAY Mechanical Stretch Mini-Rip Lightweight
- + Made with PFAS chemicals

PRODUCT FEATURES

- + Thigh-high side zippers expedite donning and doffing over boots and crampons
- + Vertically routed cuff drawcord with enclosure mitigates snags and hang-ups
- + Elasticized, adjustable nylon web waist allowing for waist size flexibility
