

MEN'S

Cold WX Beanie AR Wool

MPN: X000007231

SIZE: One Size

WEIGHT: 30g / 1.1oz

Merino wool and spandex blend beanie with a double layered headband for added warmth. The Beanie is constructed using No Melt / No Drip Nylon Core Spun Merino Wool, which allows the efficient conversion of perspiration to vapour by rapidly dispersing moisture from the head to the air.

MATERIALS

- + NMND MAPP Merino Wool
- + Free from intentionally added PFAS

PRODUCT FEATURES

- + Advanced hybrid Merino Wool with Nylon core expedites wicking & vapour transfer
- + Natural fibres provide inherent next-to-skin comfort and anti-odour properties
- + 6-dart construction provides a snug yet stretchy fit meaning it will stay in place when worn under a helmet

COUNTRY OF ORIGIN

Vietnam

Crocodile

Black
