Cold WX Jacket LT (Gen 2.1)

MPN: X000010777

SIZE: XS, S, M, L, XL, XXL

WEIGHT: 530g /18.7oz | (Size Large)

The Cold WX Jacket LT is a highly packable and lightweight jacket suitable on its own for colder temperate and sub-polar climates, and easily layered with accompanying PRO layers above and below. The face fabric is GORE 40D WINDSTOPPER®, the industry standard in windproof and breathable face fabrics. Filled with premium Coreloft™ synthetic insulation, and patterned for high air permeability, the hood maintains PRO's strict requirements to support a wearer's comfort in high output situations.

MATERIALS

- + GORE WINDSTOPPER® 2L 40d Nylon Plain Weave with ePTFE membrane and C6 DWR
- + Coreloft™ Continuous 100 (3oz) synthetic insulation with C0 DWR
- + Made with PFAS chemicals

PRODUCT FEATURES

- + Weighing only 530g and packing into a 3L space the Cold WX LT is one of the most lightweight and packable pieces in this category
- + Weatherproof zippered pockets are one-hand and gloved-hand operation friendly
- + Full zip closure (w/No Slip Zip™) prevents zipper from self-opening at collar
- + Upper arm pockets include 4" x 4.5" IFF patches, VLite™ retention ring, and are accessible when wearing load carriage equipment and plate carriers
- + Drawcords are one-handed, glove friendly and vertically routed to minimize interference with duty belts, harnesses and pack hip straps
