

MEN'S

Cold WX Neck Gaiter AR Wool

MPN: X000007219

SIZE: One Size

WEIGHT: 55g /1.9oz

Merino wool and spandex blend neck gaiter that keeps out snow and traps body heat. The Gaiter is constructed using No Melt / No Drip Nylon Core Spun Merino Wool, which allows the efficient conversion of perspiration to vapour by rapidly dispersing moisture from the head to the air.

MATERIALS

- + NMND MAPP Merino Wool
- + Free from intentionally added PFAS

PRODUCT FEATURES

- + Advanced hybrid Merino Wool with Nylon core expedites wicking & vapour transfer
- + Natural fibres provide inherent next-to-skin comfort and anti-odour properties

COUNTRY OF ORIGIN

Vietnam
