

MEN'S

Delta AR Half Zip Hoody

MPN: X000010969

SIZE: S, M, L, XL, XXL

WEIGHT: 330g / 11.6oz | (Size Large)

The Delta 1/2 Zip Hoody AR is a lightweight grid fleece with exceptional temperature and moisture management to keep the wearer comfortable during active tasks in cooler climates. The Polartec® Power Dry® fleece features a voided grid construction with a smooth outer surface that layers easily under a second mid or outer layer. The articulated fit moves with the body, the hood and integrated balaclava provide warmth, and a deep front zipper facilitates heat regulation.

MATERIALS

- + Polartec®Power Dry® grid-fleece
- + Tencate Defender M 5.5oz Fire Resistant mesh knit

PRODUCT FEATURES

- + Articulated patterning for unrestricted mobility
- + Cuffs open wide enough to support fast delayering while wearing tactical watches and gloves
- + Reinforced thumb loops aid in donning and doffing
- + Reinforced elbows provide added safety and durability
- + Integrated buff also functions as a hasty FR balaclava
- + Hood is form-fit and wearable under ballistic helmets
- + Low profile seams, offset from the seams of paired PRO layers, maintain comfort especially when worn beneath plate carriers and load carriage equipment.
