

3M™ PELTOR™ Throat Microphone MT9-02

Product description

This noise cancelling throat microphone allows for crisp, reliable communication in the two-way communication headsets of the 3M PELTOR Series, specifically designed for users in high-noise environments.

Key features

- Throat microphone for use on 3M PELTOR Communication Headsets that feature a dynamic microphone.
- A practical solution when boom microphones are ineffective or can't be used, such as when wearing other personal protective equipment.
- Effective in noisy environments.
- Offers stretchable strap with adjustments for different neck sizes
- Plugs into the same auxiliary port as the boom mic
