MPN: X000011058

SIZE: 28-R, 30-R, 32-R, 34-R, 36-R, 38-R, 40-R, 42-R 28-S, 30-S, 32-S, 34-S, 36-S, 38-S 32-T, 34-T, 36-T, 38-T, 40-T, 42-T

WEIGHT: 760g / 27oz | (Size 34-R))

Fully featured no melt/no drip pants built for every mission. From fast-ropes to foot patrols, the Tactician AR Pant seamlessly adapts to the terrain, tempo, and tactical load of the mission. Built to perform through long missions in demanding conditions, these combat pants deliver advanced mobility, mission-adaptable storage, and next-to-skin comfort. Reinforced structure, integrated knee protection, and a tactical pocket configuration support airborne deployment and gear-heavy operations.

MATERIALS

- + Spartan HT Flex Lite (Solid), 190gsm, NYCO Spandex, 2-way stretch ripstop
- + Free from intentionally added PFAS

PRODUCT FEATURES

- + Reinforced belt loops accommodate a rigger's belt or 2" inner-duty belt for weapon, radio, or comms rig stability
- + Knife clip reinforcement inside hand pockets offers fast, secure knife storage
- + Zippered upper-thigh pockets provide secure storage for low-volume items like phones or IDs
- + Cord zipper pulls reduce metal-on-metal noise and snag risk during stealth operations
- + Large-volume cargo pockets with Velcro® flap closure allow for one-handed access under pressure, with a drain hole for rapid water egress in wet environments
- + Internal elastic loops and webbing keep magazines, tools, charges, or comms gear secure during movement
- + Outer cargo flap includes button closure for added security during airborne operations and deployment
- + Reinforced webbing over knees increases abrasion resistance in high-wear zones
- + Integrated foam knee pads are thermo-moulded, perforated, and low-profile for breathability, flexibility, and added durability
- + Velcro® tabs behind the knee allow users to adjust pad position for dialed-in fit through dynamic movement
- + Pocket bags and knee lining are made with durable, stretch-woven lining for breathability and all-day comfort
- + Outer lower-leg pockets with Velcro® top-entry closure for quick access to small mission-critical items
- + Bottom cuff Velcro® adjustment tabs secure fit over boots and prevent snagging or ride-up
- + Dual stitched eyelets at each cuff allow paracord tethering to keep pant legs secure during airborne operations
