

MEN'S

Tactician Field Shirt

MPN: X000010690

SIZE: XS, S, M, L, XL, XXL

WEIGHT: 330g /12oz | (Size Large)

Utility-driven design built for comfort and mobility when on duty. In garrison or on assignment, the Tactician Field Shirt delivers a clean, professional look without compromising performance. Built for duty environments, it offers comfort and mobility in a minimalist, low-profile design. Hidden button closures reduce snag risk, double-layered elbows add durability, and die-cut loop patches support identification requirements.

MATERIALS

- + Spartan HT Flex Lite (Solid), 190gsm, NYCO Spandex, 2-way stretch ripstop
- + Free from intentionally added PFAS

PRODUCT FEATURES

- + Articulated patterning improves fit, mobility, and comfort during extended wear
- + Two clean-finish chest pockets provide accessible storage with a low-profile look
- + Hidden button closure along the front placket reduces snag risk and maintains a professional appearance
- + Buttons are secured with internal webbing for increased strength and long-term reliability
- + Double-layered elbows enhance durability in high-contact areas
- + Two-piece fold-down collar provides a clean, structured look suitable for administrative or barracks settings
- + Traditional shirt cuffs with button closures allow for a secure and adjustable fit
- + Intended for field or administrative wear
- + Includes die-cut Velcro® pieces for rank and ID stored in left chest pocket: one 5cm x 9cm loop and two 15cm x 2.5cm loops
