

Product Sheet

Combat Glove FR Short

Art No: 7003720

A thin, cool, and pliable glove, specially designed for combat. Second skin fitting for optimal tactility and precision performance. Strong and supple leather for good grip and good durability. Flame retardant materials adds safety when there is a risk for fire and high temperatures. Back of hand with NIR properties. Materials that keep hands dry and comfortable even in warm temperatures.

Areas of use: Tasks that demands full fingertip sensitivity and handling in different areas. Can be combined with an outer glove for weather protection.

Weather conditions: Warm and intermediate conditions.

Fitting: Unisex fitting. Pre-curved shape.

Sizes: 6-11.

Features:

- High fingertip sensitivity and second skin fit.
- Pre-shaped fit.
- Flame retardant.
- NIR properties

Storage: Use a carabiner at eyelet to attach gloves to clothes, bags or similar for storage in the field and to dry/ventilate after use.

Maintenance: Dry leather gloves at room temperature, avoid open flames, heaters, tumble- driers and ovens. Dry in upright position by hanging. If completely wet, carefully squeeze out the water gently without twisting. Clean with a lightly moistened cloth.
